Telephone Interview

(b) (6)

(b) (6)

(b) (6)

Ms. (b) (6) is a concerned citizen that stated that she had several abstracts, plat maps and documents of the Site that detailed some ownership history of the site. She stated she purchased her property in 2009 and that she has seen visible evidence of contamination on her property. Ms. (b) (6) stated that she would scan all information that she had in her possession and email it to EO Nixon.
